

The Audi A7 Sportback

Pricing and Specification Guide

Valid from October 2011

Personalising your Audi A7

This guide has been designed to help you tailor and price your Audi A7 quickly and logically. At the back, you will find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A7 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A7 Sportback

The Audi A7 Sportback combines sleek lines with a practical four-door design – its innovative shape and lightweight construction make this model as refined and elegant as it is versatile. It incorporates technologies like the optional cockpit-style 'head-up display' and MMI touchpad control for the Satellite Navigation system. A number of engine options are available – TDI®, FSI® and TFSI® – which combine remarkable performance with fuel-efficient direct injection technology.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO₂ and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A7 Sportback.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A7 Sportback, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Efficiency programme

The Driver's Information System in the Audi A7 Sportback comes as standard with a special efficiency programme, which offers up-to-the-minute advice on ways to help improve fuel economy as you drive. It also shows you which items in your car are using energy, and how much they are using, so you can make an informed choice about which ones to switch off.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO₂, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you release the brake pedal, the car restarts.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with turbocharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Transmissions

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive. A continuously variable transmission, multitronic® can transmit up to 400 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A7 Sportback so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the A7 Sportback, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance in corners and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more agile handling.

Standard model equipment

All A7 Sportback models have the following items of standard equipment

Engines

Start-Stop system with energy recovery

Wheels, tyres and suspension

18" x 8.5J '7-arm Dynamic' design alloy wheels, with 255/45 tyres

Audi drive select with four pre-configured modes (Comfort, Auto, Dynamic and Efficiency), allowing the driver to electronically adjust the engine, transmission and steering. The new efficiency mode influences the shift programme, electromechanical power steering, engine, cruise control, and where fitted: deluxe automatic air conditioner, adaptive air suspension, quattro with Sports differential

Locking wheel bolts

Space-saver spare wheel

Audio and communication

Audi sound system

- 6-channel amplifier
- 180-Watt amplifying capacity
- 10 loudspeakers including subwoofer located in spare wheel well

MMI Radio Plus including:

- MMI control panel operating the MMI display (6.5-inch colour display on the dashboard)
- 2 x SDHC memory card readers (up to 32GB)
- single CD player and memory card reader that supports MP3, WMA and AAC
- TP memo – automatically saves traffic news when driving

MMI Navigation (SD card based) including:

- 6.5-inch MMI colour display with high quality map display
- voice control using whole words
- dynamic route guidance

Mobile telephone preparation – Bluetooth interface. Provides handsfree connection via Bluetooth using the mobile phone aerial. Please contact your Audi Centre for compatibility

Driver's Information System – 5-inch TFT monochrome display which displays information such as audio, navigation and trip computer. There is also an efficiency program that offers fuel saving tips

AUX-IN socket

Safety and security

Auto-dimming rear-view mirror

Anti-theft alarm with tow-away protection via angle of inclination sensors (can be switched off), including interior monitoring system which can be switched off; alarm for monitoring doors, bonnet and tailgate, independent of vehicle electrical system

Light and rain sensor – automatically switches the dipped beam or windscreen wipers on/off depending on the light and rain conditions; includes delayed deactivation/automatic activation of the rear lights and number plate lights when parking or opening the vehicle

18" x 8.5 '7-arm Dynamic' design alloy wheel – PRW

Xenon plus headlights

Split-folding rear seats with power-operated boot lid

Electronic Stability Programme (ESP)

Side air bag (front) with curtain air bag

Tool kit, warning triangle and car jack

Tyre pressure monitoring display – provides a visual and acoustic warning of loss in pressure in one or more tyres; defective tyre is displayed in the Driver's Information System

Keyless go – conveniently allows the engine to be started by simply pressing the start/stop button in the centre console. The key just needs to be carried

Seats

Split-folding rear seat with 3 head restraints and 3 rear seat belts (available with only 2 head restraints and 2 rear seat belts at no extra cost)

ISOFIX child seat mounting for front passenger (with airbag deactivation) and outer rear seats

Standard seats in Milano leather upholstery including seat covers, head restraints and front centre armrest. The leather is hard-wearing and durable. Includes manual adjustment for seat height, length, backrest angle, head restraint, belt height and steering wheel reach and height

Interior equipment

4-spoke leather-trimmed multi-function steering wheel – with gear-shift paddles

Electronically controlled automatic air conditioning – separate temperature distribution for driver and front passenger

Door sill trims with aluminium inlay

Inlays in matt brushed aluminium

Floor mats, front and rear, coordinated with the selected interior colour

Front centre armrest for driver and front passenger, movable and with adjustable angle

Exterior equipment

Exterior mirrors, heated and electrically adjustable

Headlight washer system

High gloss package – includes window trim surround in aluminium and B-pillar trim in high-gloss black finish

Power-operated boot lid, electrically opening and closing

LED tail-lights

Xenon Plus headlights with LED daytime-running lights

Retractable rear spoiler

3 rear seats in Velvet beige Valcona leather upholstery

SE model equipment

In addition to Standard model equipment

Basic RRP
£3,137.50

Total RRP inc VAT
£3,765.00

Audio and communication

Audi Music Interface – universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod touch). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and Driver's Information System (DIS), including track titles. The interface provides charging function (dependent on device)

DAB digital radio – receives programmes from digital radio transmitters in addition to the range of analogue stations with better sound quality. With the DAB twin tuner, a second DAB tuner permanently searches for alternative reception frequencies of set stations, and updates the station list

Colour Driver's Information System (DIS) with 7-inch high resolution TFT screen. Shows information from the driver assistance systems; media in use, telephone menu, outside temperature and other MMI content

Safety and security

Cruise control – maintains any speed above 18mph, provided that the engine power output and engine braking effect permit it; operated via separate steering column stalk, set speed displayed in Driver's Information System (DIS)

Seats

Electrically adjustable front seats.

Including adjustment for:

- Forwards/backwards position
- Seat height and angle
- Backrest angle
- Memory function for driver's side

Electrically adjustable 4-way lumbar support

Heated seats for driver and front-passenger seats – heats the seat cushions, backrest surfaces and seat side bolsters and can be individually adjusted in 3 stages for each seat via a direct selection button on the air conditioning controls

Interior equipment

Light package. Includes lighting for:

- Exterior: courtesy lighting on the underside of the door handles and door handle lighting with LED technology; automatically activated when the doors are unlocked; includes active internal door reflectors
- Interior: LED technology – 2 reading lights at front and rear, front footwell, inside door handles, make-up lights, storage compartment in the centre console, ambient lighting of the centre console, ambient reflected light for inside door trims

Exterior equipment

Audi Parking System Plus – acoustic and visual park assist system for the front and rear with MMI screen display

Exterior mirrors with memory function, heated and electrically adjustable

Audi Music Interface with optional privacy handset

4-spoke multi-function steering wheel with cruise control

Colour DIS

Black interior styling with optional MMI Navigation plus, Walnut brown inlays and 3-spoke multi-function steering wheel

S line model equipment

In addition to SE model equipment

Basic RRP
£1,491.67

Total RRP inc VAT
£1,790.00

Wheels, tyres and suspension

19" x 9J '5-twin-spoke' design alloy wheels with 255/40 R19 tyres

Sports suspension lowered by 10mm with more firmly tuned springs and dampers for more direct contact with the road

Seats

Electrically adjustable front Sports seats including memory function for the driver's side

Seats upholstered in black Valcona leather with embossed S line logo in the front seat backrests

Interior equipment

Black headlining

Door sill trims with S line logo

Gear lever knob in black perforated leather

S line 3-spoke leather multi-function Sports steering wheel with paddles and S line badge

S line inlays in matt brushed aluminium

Exterior equipment

Platinum grey front spoiler lip and diffuser insert

S line badges on the front wings

S line front and rear bumpers, side ventilation grilles, side skirts and diffuser insert

19" x 9J '5-twin-spoke' design alloy wheels – PQG

S line 3-spoke multi-function steering wheel

S line body styling

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £590.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page S7 for details) and first registration fee at £55.00. Vehicle Excise Duty correct at time of going to print, but this may alter to reflect any change in the applicable VED rate.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Audi exclusive

Comfort seats in Audi exclusive leather (Package 2) in Alabaster white and Chesnut brown. Audi exclusive inlays shown in oak sepiia

Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik.
But for that special touch you can specify your new A7 with options from Audi exclusive.
Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona, Fine Nappa leather or a leather/Alcantara combination, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Chestnut brown

Jet grey

Alabaster white

Sand beige

Saddle brown

Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue

Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Order Code	Standard	SE	S line	Basic RRP	Total RRP inc VAT
WB4 Technology package Featuring MMI navigation Plus with MMI Touch, head-up display and mobile telephone preparation high with online services MMI Navigation Plus (PNQ) – includes HDD-based navigation with topographical map display, places of interest and town models in 3D. Destinations can be entered via the speech dialogue system or MMI touch. Also includes DVD player and 2 SDHC memory card readers Head-up display (KS1) – projects driving related information directly into the driver's field of vision using an optical system of mirrors Mobile telephone preparation – High with online services (9ZW) – allows a Bluetooth capable mobile phone to connect to the vehicle's internal UMTS module (providing the mobile phone has a sim access profile*). This allows the navigation to use Google Earth images and access Wikipedia For more details see page 42. On Standard trim must be combined with Audi Music Interface (UF7) and colour Driver's Information System (DIS) (9Q8)	•	•	•	£1,708.33	£2,050.00
WB7 Technology package Advanced Includes all the features of Technology package (WB4) as well as adaptive cruise control and the Audi pre-sense plus safety package (PCN), which, in a situation where a collision is inevitable, allows full brake application to avoid or lessen the impact of the collision Audi adaptive cruise control with Stop&Go function including pre-sense front – automatic distance regulation, using radar sensors to maintain the required distance between vehicles by braking and accelerating. Works at speeds between 0 and 155mph** Audi Side Assist including pre-sense rear – aids the driver when changing lane. The system monitors the area behind the car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind Audi Lane Assist – helps the driver to stay in lane with gentle steering impulses for greater safety and convenience. Exterior mirrors (6XF) – with memory function, heated, electrically adjustable and folding For more details please see pages 46, 48 and 49	–	•	•	£3,125.00	£3,750.00
WB1 PS8 Comfort package Featuring Audi parking system advanced (rear-view camera), advanced key and electrically adjustable Comfort seats with memory function Audi parking system advanced (KA2) – uses a rear view camera to display on the MMI unit when reversing. Also includes steering path Advanced key (4F2) – allows the driver to keep their key in their pocket or bag at all times. To unlock and open you simply lift the exterior door handle. The door is locked by pressing the button on the handle Electrically adjustable Comfort front seats with memory function (PS8) – the front seats have 18-way electrical adjustment and include a memory function for both front seats and mirrors. Also includes electrically adjustable 4-way lumbar support For more details please see pages 28, 49 and 50	–	•	–	£1,458.33	£1,750.00

Packages

MMI Navigation Plus with Google Maps – part of the technology package

Head up display – part of the technology package

Audi side assist including pre-sense rear – part of the technology package advanced

Comfort front seat with memory function in Titanium grey Milano leather – part of the comfort package

RRP – Recommended Retail Price.

Order Code		Standard	SE	S line	Basic RRP	Total RRP inc VAT
8RY	BOSE® surround sound - 14 speakers including centre speaker in the dashboard and subwoofer in the spare wheel well - 12-channel amplifier with a total output of over 600 Watts - Acoustics specially tuned to the interior - Surround sound 5.1 reproduction (in conjunction with MMI Navigation Plus) and stereo recordings (CD, radio, MP3) - Audiopilot for noise-compensating volume adjustment - Powerful, precise bass reproduction	•	•	•	£833.33	£1,000.00
8RF	Bang & Olufsen Advanced Sound System - 15 speakers including subwoofer and centre speaker, each with their own amplifier channel for genuine 5.1 surround sound - 10-channel Digital Sound Processing (DSP) full-digital amplifier with a total output of over 1,200 Watts, fully digitised and highly efficient 5-channel ICEPower amplifier for woofers and subwoofer - When switched on, two acoustic lenses extend from the dashboard for excellent sound rendition and perspective from all seats - Polished aluminium speaker covers - Acoustics specially tuned to the interior through the targeted use of tweeters, mid-range speakers and woofers - Speakers in encapsulated housings isolate music and telephone conversations within the vehicle for privacy when making phone calls in handsfree mode - Automatic adjustment of volume to the driving situation Only in combination with MMI Navigation Plus (WB4/WB7 or PNQ)	•	•	•	£5,250.00	£6,300.00
PNQ	MMI Navigation Plus including MMI Touch. Hard disk navigation with topographical map display, places of interest and town models in 3D. Destinations can be entered via the speech dialogue system or MMI Touch. The system offers 3 alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Colour Driver's Information System (9Q8). Incorporates MPEG4-compatible DVD player and two SDHC memory card readers (for cards of up to 32GB). Also allows DAB radio to receive DAB+ and DMB audio signals. Adapts lights, transmission and adaptive cruise control (if fitted) to the road conditions – for example, bends in the road, motorways, intersections and urban areas – even when navigation is deactivated. On Standard trim must be combined with Audi Music Interface (UF7)	•	—	—	£1,195.83	£1,435.00
		—	•	•	£979.17	£1,175.00
KS1	Head-up display. An optical system of mirrors projects driving-related information directly into the driver's field of vision. To prevent ghost images, a special windscreen with a wedge-shaped film is fitted. Measuring approx. 26 x 9cm in size, the driver perceives the display to be 2 to 2.5m beyond the windscreen. This display has many benefits: - Helps to increase safety, convenience and driving pleasure - Straightforward operation via MMI - Display is height-adjustable, adjusts to ambient brightness - High resolution of up to 480 x 240 pixels - The following is displayed (depending on chosen option): - road speed - navigation instructions - adaptive cruise control status, distance from vehicle ahead and set speed - warning messages - infotainment lists - speed limit display	•	•	•	£1,208.33	£1,450.00
9ZW	Mobile telephone preparation – High with online services. A Bluetooth-capable mobile phone can be conveniently connected to the vehicle's internal UMTS module (provided the mobile telephone has a SIM Access Profile. Please note iPhones do not have SIM access profile and therefore a duplicate SIM card would need to be sourced from your network provider and inserted directly into dashboard of the A7). An additional SIM card reader is also located in the surround of the MMI Navigation Plus to allow transfer of phone book entries to the vehicle and management of call lists. Online services through operation of MMI Navigation Plus include: - Point of interest search and navigation with the help of Google Earth images - Weather information - WiFi hotspots for convenient internet access using a mobile end device (e.g. laptop)*. Up to eight end devices can be paired at any one time Can only be ordered in combination with MMI Navigation Plus (PNQ) or as part of the technology package (WB4/WB7)	•	•	•	£350.00	£420.00
PT4	Mobile telephone preparation – High with online services and cordless handset in the front centre armrest with colour display and integral SIM card reader, for making private phone calls; easy text message entry thanks to automatic word recognition. Only in combination with MMI Navigation Plus (PNQ or WB4/WB7)	•	•	•	£816.67	£980.00

Audio and communication

PCB	Audi active lane assist helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads: <ul style="list-style-type: none"> - Informs driver if car is drifting out of lane unintentionally above approximately 37mph - Driver has the choice of two system settings in the MMI: <ul style="list-style-type: none"> - early steering intervention: continuously helps the driver to stay in lane with steering impulses that centre the vehicle in its lane - late steering intervention: alerts the driver that the vehicle is possibly crossing the lane markings at the same time as providing a corrective steering prompt - Additional warning via vibrating steering wheel when lane markings are crossed, if specified by driver - Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks - Additional indication in head-up display (if selected as an option) 	•	•	•	£479.17	£575.00
7W1	Pre-sense basic networks the different vehicle systems, enabling driving situations to be categorised and, where necessary, actions to be implemented to protect passengers. These include: belt tightening, activating the hazard warning system, closing the windows and – if fitted – sliding roof	•	•	•	£216.67	£260.00
8T1	Cruise control – maintains any speed above 18mph, provided that the engine power output and engine braking effect permit it; operated via separate steering column stalk, set speed displayed in Driver's Information System (DIS)	•	S	S	£237.50	£285.00
PCG	Adaptive cruise control (ACC) with Stop&Go function including pre-sense front. Automatic distance regulation, using radar sensors to maintain required distance by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Works at speeds between 0 and 155mph* and also includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. In addition, the airbags are pre-conditioned if a crash is sensed and the braking system is prepared to assist with the necessary braking force once the brake pedal is touched. On Standard trim must be combined with colour DIS (9Q8/WB4 or PNQ) and Parking System Plus (7X2 or 7X5)	•	•	•	£1,500.00	£1,800.00

Order Code		Standard	SE	S line	Basic RRP	Total RRP inc VAT
PCH	Audi side assist including pre-sense rear. Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door and works at speeds above 19mph. If a rear collision is sensed, the upper backrest and headrest are adjusted automatically (where memory seats are fitted) to provide more protection. If Comfort front seats or Comfort front Sports seats are also selected the pneumatic bolsters are filled to provide extra protection. In addition, the airbags are pre-conditioned. Only available with electrically folding mirrors (6XL/F) and on Standard trim must also be combined with electrically adjustable front seats (PV3 or PS8)	●	●	●	£437.50	£525.00
PCN	Audi adaptive cruise control with Stop&Go function, Audi side assist and Audi active lane assist with pre-sense plus. Only in combination with electrically folding door mirrors (6XL/F). On Standard trim must also be combined with electrically adjustable front seats (PV3 or PS8), colour DIS (9Q8/WB4 or PNQ) and parking system plus (7X2 or 7X5)	●	●	●	£2,166.67	£2,600.00
PCD	Audi side assist including pre-sense rear and active lane assist. Only in combination with electrically folding door mirrors (6XL/F) and on Standard trim must also be combined with electrically adjustable front seats (PV3 or PS8)	●	●	●	£916.67	£1,100.00
QR9	Speed limit display the current speed limit can be seen on the Driver's Information System (DIS). Should the camera fail to see a sign properly, the speed limit from the data for the navigation system – if fitted – will be shown instead. The specific advantages: - Display of the speed limits currently registered, which can be called up in the Driver's Information System at any time - Display can be called up in every instrument cluster view and in the head-up display (optionally available) - Camera-based system is also capable of detecting temporary speed restrictions in roadworks and on digital displays (e.g. over motorways) within the system limits - Display of national speed limits for Western European countries Only available in conjunction with MMI Navigation Plus (PNQ), and with active lane assist (PCB), Audi side assist (PCD), or adaptive cruise control (PCG/PCN)	●	●	●	£129.17	£155.00
4X4	Rear side airbags, for the outer rear seats, incorporated into the seat backrests; supplement the side impact protection in the doors and the head airbag system	●	●	●	£312.50	£375.00
1T3	First aid kit in the storage compartment of the rear centre armrest	●	●	●	£25.00	£30.00
VC1	Garage door opener (HomeLink®*), programmable radio-operated remote control for compatible doors/gates. Control buttons integrated in the front roof module	●	●	●	£204.17	£245.00
4F2	Advanced key. Access and authorisation system that works through automatic data exchange between key and vehicle, allowing the driver to keep their car key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. The door is locked by pressing the button on the handle. Pressing the start/stop button integrated in the centre console starts and stops the engine	●	●	●	£566.67	£680.00
8N7	High-beam assist. Variable headlight range control featuring a camera on the interior mirror which registers sources of light from other road users. The range and width of the headlight beam are continuously varied between dipped and main beam to suit ambient conditions, ensuring that the headlights provide good visibility without dazzling other road users	●	●	●	£116.67	£140.00

PXB	Adaptive light and high-beam assist. Automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching or when other ambient lighting is detected (e.g. street lights). Also includes swivelling headlights for improved illumination of a winding road, and dynamic cornering light function. Kerb-light function is activated when indicator is switched on, steering wheel is turned considerably or 'reverse' is selected. Only works with low-beam headlights and at speeds up to 45mph. Not available in combination with all-LED headlights (PX2)	•	•	•	£575.00	£690.00
PX2	LED headlights including adaptive light and high-beam assist. LEDs for all front lighting functions; includes main beam assist for automatic switching between main and dipped beams, an all-weather light function to reduce the risk of the driver being dazzled when visibility is poor (in fog, rain or snow) and an additional motorway light which automatically increases headlight range at speeds above approximately 68mph; LED technology allows near daylight illumination of the road for increased safety and comfort; minimal energy requirements, long service life, and particularly good recognition by other road users	•	•	•	£1,416.67	£1,700.00
9R1	Night vision assistant with pedestrian detection. A thermal imaging camera (remote infrared with resolution of 320 x 240 pixels) registers heat dissipation in front of the vehicle and represents this image in the Driver's Information System (DIS). Image recognition software highlights people detected in the darkness and a warning bell is sounded if the system classifies them as being at risk. System operation may be restricted in too much ambient light, high humidity and high night temperatures (over 28 degrees). On Standard trim must also be combined with colour DIS (9Q8)	•	•	•	£1,750.00	£2,100.00
7X2	Audi parking system plus – acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers	•	S	S	£683.33	£820.00
7X5	Park assist searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. Steering is done by the vehicle – the driver just needs to accelerate and apply the brakes	•	–	–	£1,025.00	£1,230.00
		–	•	•	£341.67	£410.00
KA2	Audi parking system advanced (rear-view camera) – image of area behind the vehicle is shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent); includes guidelines and shows where to apply opposite lock when parallel parking. Reversing camera is concealed in the handle strip of the tailgate. On Standard trim, must be in combination with Audi parking system plus (7X2) or Park assist (7X5)	•	•	•	£391.67	£470.00

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi A7 model range and is therefore subject to change and mileage/ model dependent.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A7, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi. To find out more, just visit your local Audi Centre.

Warranty

All of the accessories available on the A7 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.

technical data

*Electronically limited

**Loaded up to roof with rear seat folded down.

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

A7 Sportback dimensions

The technical drawings opposite show the exact dimensions of the Audi A7 Sportback, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom.

Dimensions in millimetres.

Turning circle approx 11.9m.

Dimensions were measured with vehicle at unladen weight. Luggage compartment volume in litres: 535/1390 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£95.00
E – 131 to 140g/km	£115.00	£115.00
F – 141 to 150g/km	£130.00	£130.00
G – 151 to 165g/km	£165.00	£165.00
H – 166 to 175g/km	£265.00	£190.00
I – 176 to 185g/km	£315.00	£210.00
J – 186 to 200g/km	£445.00	£245.00
K – 201 to 225g/km	£580.00	£260.00
L – 226 to 255g/km	£790.00	£445.00
M – over 255g/km	£1,000.00	£460.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule		Variable LongLife Service Schedule	
	Vehicle usage:		Vehicle usage:
Mileage	Less than 10,000 miles per annum	Mileage	More than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys	Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing	Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving	Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:		Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year	Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years	Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services. For further information and terms conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products.
